Admission Arrangements for 2022/23

St Mary Redcliffe Church of England Primary Academy has an admission number of 60 pupils for entry into reception. The school will accordingly admit at least 60 each year if sufficient applications are received. All applicants will be admitted if 60 or fewer apply.

Where there are more applications than places available, allocations will be made in the following order of priority as set out in sections 1, 2, and 3 below. Initial allocations will involve only those applications received by the published closing date and accepted as 'on time'.

1. Looked After Children or Previously Looked After Children but immediately after being in Care became subject to an Adoption Order, Child Arrangements Order, or Special Guardianship Order.
 - A 'looked after child' or a child who was previously looked after but immediately after being looked after became subject to an adoption, child arrangements, or special guardianship order⁹¹ including those who appear [to the admission authority] to have been in state care

outside of England and ceased to be in state care as a result of being adopted. A looked after child is a child who is (a) in the care of a local authority, or (b) being provided with accommodation by a local authority in the exercise of their social services functions (see the definition in Section 22(1) of the Children Act 1989).

2. Siblings: Where there are siblings in attendance at the preferred school and who will still be on roll in the year of entry.

- Sibling refers to brother or sister, half brother or sister, step brother or sister or the child of the parent/carer's partner where the child for whom the place is sought is living permanently in the same family unit at the same address as that sibling.

3. Distance Measures and Home Address: Children living closest to the school as measured in a direct line from the home address to the school.

- Home to school distances will be measured in a direct line from a point on the home address as held by the Local Authority, defined in the Local Land and Property Gazetteer, to a defined point within the main school building using the Local Authority's computerised mapping system.
- Bristol will not accept more than one address as the child's home address. Where a child regularly lives at more than one address the Local Authority will have to reach a conclusion about which should be counted as the main address when allocating places, taking relevant evidence into account. Normally this will be the address where the child is registered with a medical GP. Where parents or carers are living separately and do not agree on the child's home address, they are urged to reach an agreement. If this does not happen evidence may be required by providing court documents or other legally binding documentation such a sworn affidavit confirming where the child resides for the majority of the school week. Where satisfactory evidence cannot be provided Bristol Local Authority will determine the address be used for allocating a school place.

Tie-breaks

Where there are more applications than there are places remaining within a particular category, siblings will be given priority. After this, direct line distance from home to school will be used as a tie-break. Where two or more applicants cannot be separated, the offer of school place will be determined by random allocation; the drawing of lots, and will be overseen by an independent person.

However, if children of multiple births (twins and triplets) and are tied for the final place, those siblings will be admitted over PAN as permitted by infant class size rules

Educational, Health and Care Plans

All children whose Education and Health Care Plan (EHCP) names the school will be admitted. Other children without an Education, Health and Care Plan will be subject to the general admission arrangements.

Deferred Entry

Parent/carers offered a place in reception for their child have a right to defer entry, or take up a place part-time, until the start of term beginning immediately after their child has reached compulsory school age. However, places cannot be deferred beyond the beginning of the final term of the school or until the next academic year. Children reach compulsory school age on the prescribed day following their 5th birthday (or on their 5th birthday if it falls on a prescribed day). The prescribed days are 31st August, 31st December and 31st March.

Admission of children outside normal age group

Children are normally educated in school with others of their age group; however, parents may request that their child is admitted outside their normal age group. To do so parents should include a request with their application, specifying why admission out of normal year group is being requested. When such a request is made, the Local Board will make a decision on the basis of the circumstances of the case and in the best interests of the child concerned, considering any supporting evidence provided by the parent and the views of the head teacher.

Waiting Lists

The school will maintain a clear, fair and objective waiting list until 31 December following the September of admission. Each added child will require the list to be ranked again in line with the published oversubscription criteria. Priority will not be given to children based on the date either their application was received or their name was added to the list.

Appeals

Any appeals are made via the Local Authority, in line with their reception admissions appeal procedure: <https://www.bristol.gov.uk/schools-learning-early-years/primaryschool-new-reception-admissions-appeals>

In-Year Admissions

All applications for admission made during the 2022/23 school year must be made via the School. Parents should contact the school via the registered address below.
