

Geography Knowledge

A home is a safe place to live. It needs, shelter, energy, food, warmth, connection to towns, roads and power supplies.

Refugees and Asylum seekers are forced to leave their home/country where they live for many different reasons like, natural disasters, floods, tsunamis, hurricanes, war, conflict, political and religious persecution.

Human geography is how humans have interacted and shaped their environment. It tells us about the population, languages, cultures, temples, bridges and attractions across a region.

Physical geography is the natural environment e.g. rivers, rainforests, mountains and the climate across a region.

St Mary Redcliffe Primary School is a school of sanctuary which means we extend a welcome to everyone as an equal, valued member of our community. It is a school that is proud to be a place of safety and inclusion for all.
