## Term 1 Gospel: What Kind of World Did Jesus Want?

### RE Knowledge

The Gospel is a part of the New Testament of the Bible and is written by Matthew, Mark, Luke and John. Gospel means 'Good News' and it is the part of the Bible all about Jesus' life.

#### Jesus heals a Leper:

**Mark 1:40-45** says, **A man with leprosy came and knelt in front of Jesus, begging to be healed. "If you are willing, you can heal me and make me clean," he said. "Moved with compassion, Jesus reached out and touched him. "I am willing," he said. "Be healed!"** <sup>42</sup> Instantly the leprosy disappeared, and the man was healed. <sup>43</sup> Then Jesus sent him on his way with a stern warning: <sup>44</sup> "Don't tell anyone about this. Instead, go to the priest and let him examine you. Take along the offering required in the law of Moses for those who have been healed of leprosy. This will be a public testimony that you have been cleansed." <sup>45</sup> But the man went and spread the word, proclaiming to everyone what had happened. As a result, large crowds soon surrounded Jesus, and he couldn't publicly enter a town anywhere. He had to stay out in the secluded places, but people from everywhere kept coming to him.

Leprosy is not a problem in the UK but other countries are still affected by it. This charity helps people around the world who are suffering from leprosy.

St Mary Redcliffe Church believes in spreading the word of Jesus and carrying out his work. →
